**MMR_0049 George R. Johnson**

## MMR No. 49

**GEORGE R. JOHNSON**
**6516 Haystack Rd.**
**Alexandria, VA 22310**

George Johnson has been in the model railroad hobby since 1946, starting in HO and later changing to On3. His favorite type of motive power is steam.

George has attended many regional and national conventions and has served his region (MER) as editor of the LOCAL, Director, Secretary, Vice-President and President. Recently, he accepted the appointment as region AP chairman.

He spends some time as an Assistant Scoutmaster and attended the National Jamboree East at Moraine State Park, Pa. last year. In addition he spent a week at summer camp with 23 scouts. His son, David, is an Eagle Scout.

The second third of George's basement is home to a Wurlitzer Theatre pipe organ. When the trains aren't running, the pipe organ is.

George is employed by C&P Telephone Co. of Va. as a repairman and is a Pioneer.
